# MONTHLY MINI-GRANTS

The first \$299 mini grant of the year went to the Breastfeeding Coalition as voted on by the JJWL Board Members. The Breastfeeding Coalition's mission with more funding is to host "Rock n' Rest" tents at community events such as the Hot Air Jubilee

On September 30th, JJWL granted the "Friends Who Care" program its monthly \$299 mini grant. Friends Who Care is a support system that helps Jackson High School seniors living independently to get their diplomas. Each month that the students stay on track to graduate, they receive a \$100 gift card along with a note of encouragement.
